Dear Families,

I hope you are all well and that you all had a good week so far! We have had a busy week this week, pupils were busy completing maths assessments on Monday, International Maths Day was celebrated on Tuesday and today has been Neurodiversity Day.

**INTERNATIONAL MATHS DAY**

We welcomed pupils from other schools within the Nexus Trust to celebrate International Maths Day. Pupils from Bader Academy, Kelford School and Maltby Craggs Community School came to join us and they really enjoyed their day. Our own pupils were mixed with pupils from other classes and it was amazing to see all pupils engaging in different activities linked to maths.

We had activities linked to maths such as ‘Crack the code’, outdoor nature visit, PE, a decorating biscuit challenge and many more! A big thank you to all staff involved in organising the activities but especially Miss Whitehead for coordinating the day!

**NEURODIVERSITY DAY**

Today it has been amazing to see our pupils taking part in Neurodiversity Day. Pupils have engaged in a range of activities which show that we all have our own strengths, talents and challenges. These activities have included vision, auditory and physical challenges/activities.

It was amazing to see pupils mixing with other classes to complete the activities. It was great to see new friendships being made and pupils helping to support each other to complete the challenges. A big thank you to Miss Hepworth and Miss Mallinder for organising the day.

**PUPIL PARLIAMENT NEWSLETTER**

Since our new Pupil Parliament was elected back in November, they have been busy working together to help collect and share Pupil Voice. They have helped to put together a newsletter which shows how they were elected and the work they have completed so far since being elected. We are so proud of the ideas that they have come up, well done! The newsletter is attached and they hope you enjoy reading it.

Have a lovely weekend!

Yours sincerely,
