Dear Families,

I hope you are all well! It has been very busy in school since my last newsletter. We have interviewed for a new Office Manager who will be starting with us after half term, we have welcomed visitors to school to see our pupils working extremely hard, staff have completed their Team Teach refresher training (positive handling) and I have been visiting every classroom to see what learning is taking place and importantly what do pupils remember! I am SUPER PROUD of our school community and how hard we are working!

My highlights from this week are:

Castle Learning
Team Tawny Owls!

Art skills Team
Eagles!

Digestive System
Team Osprey!

OUT OF SCHOOL LEARNING

Impressively all pupils at school have had the opportunity to complete learning beyond the school since we came back to school at the beginning of September. Some pupils have used public transport to travel to their destinations which is great for our pupils as they get to practice essential life skills.

Given that our learning often takes our pupils out in their local communities, we do as a result have high travel costs. I am requesting that to help us spread our monies, that you apply for a FREE travel pass for your child. The link is as follows: <https://mytsy.travelouthyorkshire.com/login/?returnurl=%2f> If you need help and support to complete the application, please contact the school and we get a member of staff to help you.

CELEBRATE WEEK

This year we are sharing out the number of requests we make to families to come to school for our Celebrate Weeks. Celebrate Week is a celebration of learning that your child has done over the half term. They are amazing to see and pupils love to see their families to show off what they have done!

This half term, families of pupils in lower School are invited to attend school on the following days:

- Barn Owls – Wednesday 12th October at 2pm in Barn Owls classroom
- Tawny Owls – Thursday 13th October at 2pm in Tawny Owls classroom
