Friday 10th November

Good afternoon Families,

We hope you have had a good week. Pennine View has been a busy one this week after the half term holiday and our pupils have had some wonderful experiences, lessons have been exciting and pupils have been engaged and enjoying their learning.

Diversity Super Learning Day

On Thursday, we had our Super Learning Day for this half term's theme of Diversity. It was amazing to see our pupils mixing with pupils and staff from other classes and engaging in a range of different sessions. All sessions were planned around the book 'All About Diversity' which is a great book which helps pupils learn to respond in a kind and equal way to everyone, regardless of shape, size, age, physical and mental ability, gender, ethnicity, beliefs, language, culture, background, and so on. A big thank you to Mrs Morris and Mrs Jaques for organising a fantastic day!

Upper School Enrichment

Pupils in Upper School had a great start to their Enrichment choices for this half term. We had seven brilliant choices for pupils to choose from which included; Computer Game Design, Sports Leader Award, Digital Art, Forest School, Christmas Crafts, Enterprise group and finally, Pennine's Got Talent who will be performing for all classes before the Christmas holiday.

Trips and visits

This week, Robin class have been to look around Doncaster College as pupils continue to look at various Post-16 provisions that are available to pupils when they leave Pennine View. Barn Owls, have been on cinema trip to watch Paw Patrol and this was through the 'Into Film Festival' programme. Kingfisher class, have been to a refugee exhibition in Sheffield which is linked to their theme for this half term.

Remembrance

On Friday, every class made a poppy wreath and these were laid by representatives from each class. These were then put into reception for all pupils and staff to see. A big thank you to Mrs Jaques for organising this and preparing a presentation for each class about Remembrance.

Have a lovely weekend!
