Friday 29th September 2023

Good afternoon Families,

I hope you've had a great week despite the change in weather. Pennine View has been a busy one this week and our children have been as amazing as ever! They have been learning lots in all their lessons and produced some great work. Particular highlights for me this week have been tasting the wonderful, cakes, pizza's and savoury muffins the children have made, we definitely have some chefs in the making!

Out and About

We have had children visiting some great places this week, Our Grindleford trip community feedback was that the children were well behaved, polite and a pleasure to be around.

Our football team have had their first away match and won 3-1 'Go Pennine View'. They played as a great supportive team, passed the ball well and were encouraging each other through out.

Seasonal Illnesses

As we said last week as we head into the winter months it is to be expected that our pupils and staff will contract seasonal illnesses – colds / flu / covid. Attendance this week has been affected by these illnesses- we want to thank you for your communication with school and support around getting in school even when they are not feeling 100%. I also want to thank our wonderful teachers who have had a really busy week covering for absences and making sure our children still have fabulous lessons. A reminder that If children have mild symptoms of runny noses, sore throat or mild cough, and they feel well enough, can attend school.

As you will all know seasonal illnesses can strike at any point. Should school experience high levels of staff absence due to illness during the winter months, then we will have to consider short-term closures of classes in order to ensure safety of both pupils and staff. Our preference is always to inform you of decisions in a timely manner, although it is possible that decisions may have to be made on the day.

Have a lovely weekend!

Leanne

Dates for your diary

Monday 16th – Friday 20th October
