Friday 15th March

Hello Families,

We hope you are well and have had a good week. This week has seen various classes go out into Doncaster and Sheffield to use their World Book vouchers at different shops.

It has been great to see the learning that our pupils have been completing this week. In particular, Year 7 and 8 classes have been finishing their automators that they have been making in DT and they look brilliant. Below are some examples of the brilliant work that Harriers have done in DT, amazing!

Kingfisher Enterprise Project

Look out for the flyer coming home today from the Kingfisher Trading Company for their Easter Sale on amazing portraits. You can Message Team Kingfisher, use the order form or visit www.pennineview.org/photos to order your very own piece of art. They have been working hard to create their product and are looking forward to producing more of their amazing work.

Book Cover Competition

We have a competition where pupils can design a new cover for their favourite book. Pupils can draw or paint a picture, make a collage and be as creative as they like. To enter, pupils need to give their book cover to Miss Hepworth by Friday 22nd March.

Doncaster Transport after Easter

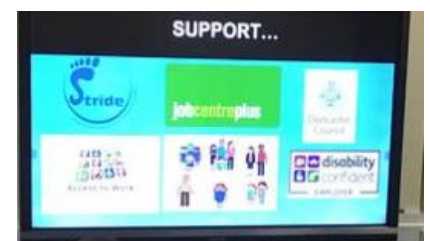

On Tuesday, pupils who are on Doncaster Transport, had the opportunity to meet with their new bus driver and escort. We are aware change can be difficult and we will be working with Doncaster Transport to help make the change as easy as possible. All further information regarding pick up and drop off times will follow in due course. If you have any further questions please contact Doncaster Transport on 01302 73608.

Enrichment – Sports Leaders

During this week's Sports Leaders' session, pupils had a visit from Logan (STRIDE - Social Transformation in Disabilities Everyday) to discuss opportunities in career pathways and the support networks that are out there. It was a fantastic insight into overcoming barriers to unlock their potential.

Dates for your diary
