## Friday 17<sup>th</sup> May

Hello Families,

We hope you are all well and we have had another brilliant week in school. It has been amazing to see lots of fantastic pieces of work again this week. We have seen some brilliant Diva lamps that have been painted like the ones used in the Sikh celebration of Diwali as part of RE learning. We were so pleased and excited to visit Harrier class as they had made a mini model of Pompeii as part of their art work this week and it looked amazing.

We also got to see some more fantastic art work where pupils have been exploring different techniques using oil pastels and produced some fantastic tornadoes.

In today's assembly there was also lots of amazing writing on show which will be going up on our Proud Wall on Monday. The detail and effort put into the writing pieces was just sensational!

### Admin request

Our Admin team have sent out our yearly Contact and Permission Checks. It is important that these are returned to school by Friday, as to ensure that we have your up-to-date information on our systems. If you haven't already, please could you make sure to return these as soon as possible. If you require a replacement set of forms, please let us know and we will send out another copy to you. Many thanks.

### Tawny Owl geography visit

In Tawny Owl class, their geography topic this half term has been 'Beside the Seaside' and they have been learning about the geographical features of the seaside, both human and physical. They have also been learning about seaside environments; finding out where they are located in the United Kingdom and seaside resorts nearest to us. This week they visited Hornsea and they really enjoyed themselves. A big thank you to team Tawny Owls for organising the trip.

### Amazing DT work

This week in DT, year 7 and 8 classes have been busy as they started making a resin keyring. They started drawing an animal and then cutting it out of wood. Next, they made a plastic mould, and poured the colours into it. There were lots of amazing designs and we cannot wait to see the finished products next week.

### Dates for your diary
